

Dean Emeritus Policy and Benefits

I. Eligibility Criteria

Dean Emeritus is a rank conferred upon a retired full-time Dean by the President of the University. To be eligible, a Dean must have:

- Fully retired with the rank of Professor or Library Professor.
- Provided distinguished citizenship to the University community through academic unit leadership, fiscal responsibility, and service.

II. Process

Candidates for the rank of Dean Emeritus may be nominated by others or may nominate themselves. Nominations may be made no sooner than the term before retirement.

The nominator will assemble a dossier containing the individual's curriculum vitae, a summary of how the candidate's credentials meet the eligibility criteria, and any documentation that would assist in supporting eligibility. Supporting materials include 2-3 letters of support from individuals outside the University and at least one letter of support from the academic unit for which the individual served as Dean.

The dossier and nomination letter are forwarded to the Provost and Vice President for Academic Affairs, who will review and confer with the Academic Leadership Team (ALT). If the recommendation is supportive, the dossier is sent to the President for final review. The President's decision will be made within sixty days of receiving the recommendation. Emeritus rank will be conferred at the next scheduled President's Convocation.

III. Use of Title

The title of Dean Emeritus may be used as part of the dean's title on various forms of correspondence, i.e. letters, email, business cards, etc.
