Annual Assessment Report for Academic Programs

The University Assessment Team advocates for the enhancement of student learning through purposeful, meaningful, and feasible student-outcomes assessment practices. The Assessment Team seeks to collaborate with programs, departments, and units to ensure that effective assessment of student learning occurs across the University. To assist in meeting this goal, the Team requests that you complete this Annual Assessment Report form to document student learning in your program. A PDF version of this completed form will be posted to the Academic Affairs Assessment website. Please note that this Annual Assessment Report form should only be completed after you have an Assessment Plan for Academic Programs forms on file with the University Assessment Team. The plan is completed once and only updated when revisions have been made to components of the plan.

1. Degree Level and Program Name: MA Addiction Counseling

2. College/School: College of Liberal Arts & Education

3. Assessment Overview - Briefly share how student learning outcomes assessment is conducted within your program/department (e.g. number of outcomes, examples of assignments used, and frequency of assessment).

For the University assessment process, the Addiction Counseling program learning outcomes are assessed each year beginning in February for the previous calendar year (Feb. 2022 review of calendar year 2021) and are collectively assessed and comprehensively reviewed every four years.

4. Student Learning Outcomes -Which student learning outcome(s) from the assessment plan filed with the University Assessment Team is/are being reported on in this report? Include the corresponding benchmark(s) for each outcome.

Counseling students demonstrate ethical conduct and compliance with the prevailing standards of practice. Counseling students are assessed during the Counseling Internship from the Internship Site Supervisor Evaluation rubric. Students must demonstrate ethical conduct with a rating of "Good" or above, receive a B or better in the Internship, and successfully complete the Counseling program.

5. Institutional Outcomes - For which institutional outcome(s) do the reported student learning outcome(s) align?
