

DETROIT MERCY NURSING and DENTAL HYGIENE TRANSFER TABLE (as of 7/18/2017)

This table is designed to help students smoothly transfer courses taken at other institutions to Detroit Mercy.
Students must earn a grade of C or better in each course for the credits to transfer to Detroit Mercy.

The admission requirements for specific programs are noted. See explanation at the top of each page.
Students seeking their first bachelor degree must complete all core curriculum requirements at Detroit Mercy or at another institution.
These include, for example: PHL 1000 Intro to Philosophy, one religion, one history, etc.

As of Fall 2017, Detroit Mercy has a new core curriculum.

*Students who entered prior to Fall 2017 will follow the **Old Core**.*

*Students who enter Fall 2017 or later will follow the **New Core**.*

*All freshmen beginning Fall 2017 or later will follow the **New Core**.*

There will be a transition time when new transfer students may select the old core after discussion with their academic advisor.

During the transition time, this table has two versions of the table in the same document.

New Core is reflected in the first half of the document; Old Core is reflected in the second half of the document.

If you have questions about courses on this transfer table or courses you would like reviewed,
please contact Mary Beth Langan, Transfer Team, Office of the Registrar at langanmb@udmercy.edu or 313-993-1940.

Prospective Detroit Mercy students with questions about the admissions process
should visit udmercy.edu/apply or contact Admissions at admissions@udmercy.edu or 313-993-1245 or 800-635-5020.
It is highly recommended that all prospective, pre-licensure nursing students attend a Nursing Information Session.

Current Detroit Mercy students are required to contact their advisor before enrolling in courses at other institutions.
