The Nursing Leadership and Financial Management Certificate Program at the University of Detroit Mercy provides qualified nurses with an opportunity to gain specialty knowledge in important areas including budgeting, financing, human resource management, nursing leadership, and health systems issues that impact nursing. Nurses working in or aspiring to positions in management and other leadership areas will benefit from the knowledge and skills they will gain from this program. Those completing the certificates may choose to go on towards a Masters Degree in Nursing in Health Systems Management and are eligible to apply credits earned in the Certificate towards the HSM Masters degree. Additional information about the program can be found at:

Admission from HSM Certificate Program to HSM Masters Program

Students who complete the HSM certificate program are eligible for admission to the HSM masters program if they meet all admission criteria for the masters program. For entry into the masters program, candidates must have a baccalaureate degree in nursing from a nationally accredited program. If the student's undergraduate cumulative GPA is less than 3.0, but they completed the HSM certificate with a 3.0 cumulative grade point average, the student will not be required to take the GRE. All degree requirements must be completed within seven years.
