

UDM Tree Dedication Program

Five types of trees available:

- Little Leaf Linden
- Sweet Gum
- Hackberry
- Royalty Crab Apple
- Kwanzan Cherry

Trees Available

Hackberry
\$600.00

Dedicate a beautiful tree in honor or memory of a loved one. Each Tree Dedication includes a **tree** of your choice and a **dedication plaque** with a personalized message. To learn how to dedicate a tree, please see the back cover.

Little Leaf Linden
\$850.00

Sweet Gum
\$850.00

Royalty Crab Apple
\$600.00

Kwanzan Cherry
\$600.00

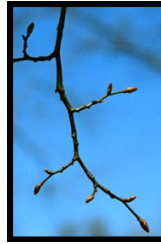

For details on how to order, see back cover!

Little Leaf Linden

Tilia cordata

- Description:** Symmetrical, pyramid-shaped deciduous tree. Fast growing. Height 20' in 10-12 years, matures to 50-70'; spreads 25-30'. Tolerates urban pollution.
- Leaf:** Leaves 1 1/2-3" long, lopsided, mid-green. Fall color of yellow with cool nights; in mild climates, leaves remain green until killed by frost.
- Flower:** Flowers in midsummer, yellow-white and very fragrant, attractive to bees. Followed by tiny inedible fruit which persist into winter.
- Fruit:** None.
- Light:** Full sun or light shade.
- Uses:** Street tree, shade tree.
- Donation Cost:** \$850.00

Sweet Gum

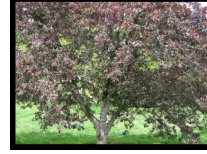

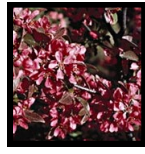

*Liquidambar
styraciflua*

- Description:** Cone-shaped, upright deciduous tree. Young trees attain 25-30' height in 8-12 years in moist soil, or in 10-15 years in dry conditions. Matures to 60-70'. Hard to transplant trees of 15' or taller. Bark silvery brown and furrowed; twigs and young branches winged.
- Leaf:** Leaves open in late spring, hold late in fall; 4-7" across, dark green. Fall colors of varying yellows, oranges and reds hold to late fall.
- Flower:** Flowers inconspicuous greenish clusters, followed by prickly seed balls which drop with the leaves.
- Fruit:** None.
- Light:** Full sun or light shade.
- Uses:** Shade tree, street tree, accent or specimen.
- Donation Cost:** \$850.00

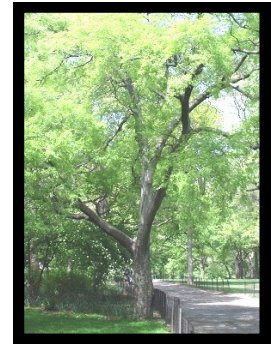

Royalty Crab Apple

Malus hybrid
'Royalty'

- Description:** Fast-growing flowering tree; a 6-8' tree will reach 10-12' in about 6 years, maturing to about 15'.
- Leaf:** Leaves of rich glossy purple all summer.
- Flower:** Starts flowering in first or second season after planting. Flowers in early spring as leaves unfurl; crimson, scented blossoms, 1" across.
- Fruit:** Fruit are 1/2" red, edible.
- Light:** Full sun.
- Uses:** Specimen, group planting, roadside tree.
- Donation Cost:** \$600.00

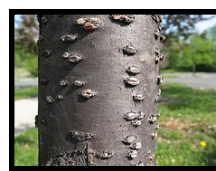

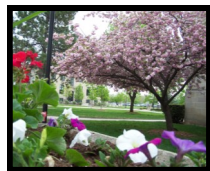

Hackberry

Celtis occidentalis

- Description:** Wide-spreading deciduous tree. Moderate growth rate. Height 25'-35' in 15-20 years, matures to 50-60'. Bark often has characteristic wart-like bumps. Easily transplanted and established.
- Leaf:** Leaves oval and pointed, mid- to dark green color, turning yellow in fall.
- Flower:** None.
- Fruit:** None.
- Light:** Full sun, resists wind damage.
- Uses:** Accent, street, shade tree.
- Donation Cost:** \$600.00

Kwansan Cherry

Prunus serrulata

- Description:** This tree boasts glossy, coppery-colored bark and bright fall foliage. Trees have a v-shaped form with a rounded crown that spreads with age, making the tree wider than it is tall at maturity.
- Leaf:** Bronze colored, turning to dark green, then yellow, orange, or copper in fall.
- Flower:** Puffy, double, pink, flowers open in spring.
- Fruit:** None.
- Light:** Full sun.
- Uses:** Accent, shade tree.
- Donation Cost:** \$600.00

Want to Dedicate a Tree?

HERE'S HOW:

- 1.** Contact Facility Operations at 313.993.1240 or facilityoperations@udmercy.edu to explore a location and payment option. Please note, not all trees are suitable for all locations and availability of trees are dependent on the season
- 2.** Select a Tree.
- 3.** Complete a Plaque Text Request Form and submit to Facility Operations.
- 4.** Complete donation for your Dedication Tree. Please make checks payable to "University of Detroit Mercy" with "Tree Dedication" as the memo.
- 5.** Facility Operations will take care of the rest!

We want great things for you!
