## WHAT IS ADOPT-A-GARDEN?

**Adopt-A-Garden** is a volunteer activity where organizations or groups “adopt” a garden on any University of Detroit Mercy campus.

## WHEN DO WE START?

Kick-off to the season starts the first week of May with *Volunteer Flower Day*, where groups can plant in their gardens! The adoptive group is responsible for planting and maintaining the bed during the spring, summer, and fall.

## WHAT WILL I NEED?

Facility Operations will provide all planting materials and tools. Volunteer groups need to provide **energy, time, and enthusiasm!** Adopting a garden is a great way to promote your organization and become closer with your peers!

## HOW MUCH DOES IT COST?

**FREE!** Adopting a garden is free and is renewed every April 1st. By adopting, your organization receives the flowers needed for your garden, accessibility to planting supplies, and a personalized **Adopt-A-Garden** sign displaying your organization’s name in your garden.

## INTERESTED?

If your group would like to **Adopt-A-Garden**, please fill out the Request form included in this pamphlet and return it to Facility Operations.

CAMPUS	BUILDING	LOCATION
Dental	Between buildings	Courtyard area on north side
