

PROGRAM REVIEW SCHEDULE Approved April 3, 2006 Revised June 16, 2006 Revised April 5, 2007

The UDM Program Review process has been developed to coincide with accreditation or external review processes to limit redundancy and overburdening to programs. The precise timing of the reviews will be determined by the Committee, Program Director, Deans and Vice President for Academic Affairs and Provost. There would be the opportunity for petitioning the Committee for a change in the date of the scheduled review.
