

Honors Study Abroad Option Application (three credits)

The Honors Program at UDM wants all of its students to complete the entire Honors curriculum. However, because The Program recognizes that study abroad is an invaluable learning experience, Honors students may apply for the Honors Study Abroad Option, which allows students to substitute one (1) course in a UDM-affiliated study abroad program for any one (1) required Honors course. Honors students may only use the Honors Study Abroad Option once.

**Honors Students must file for a Study Abroad Option no later than one (1) month from the start of a term.
Under no circumstances can a Study Abroad Option be applied retroactively to a completed course.**

Honors Student's Portion of Application

Term (circle one): Fall Winter Summer Year: _____

Honors Student's Name (please print): _____

Major: _____

Preferred Email Address (please print very clearly): _____

Phone: _____
