

# 357 New family dentistry in Ludington

Andrew J. Reisterer, D.D.S. Pllc, has opened a practice at 902 E. Ludington Ave., Ludington.

Reisterer is a graduate of the University of Detroit Mercy dental school, and has practiced in the U.S. Navy since graduating at the top of his class in 2002.

"I am excited about serving the Ludington community and look forward to helping our

patients understand their dental needs while providing excellent dental care," he said.

The new dental practice offers complete dental care for adults and children including general, preventive and specialty dental services.

The practice, formerly owned by John A. Riopelle, D.D.S., will also continue to provide emergency dental service.

"We hope to become known for our exceptional service and caring environment," he said. "People want to learn more about their dental health. By educating our patients about good dental health, we can help them lead healthier lives and create a better self-image."

Dr. Riopelle, may be reached at 845-8989.
