

## THE NEEDLE

### WHO'S REVVED UP; WHO'S STALLED

**TOM LASORDA** Windsor-born Chrysler boss becomes U.S. citizen. Now new American has to get more folks to "buy American."

**CHRIS HANSEN** Former local TV newshound and MSU grad gets spot on Emmys spoofing his NBC reports on Internet predators. Could be the next Katie Couric.

**U-D MERCY** Detroit campus featured in new basketball movie "Crossover." Not to be confused with football flick "Remember the Titans."

**JOHN KARR** Claim to be Jon-Benet's killer falls apart under DNA scrutiny. Next time, pay for your own first-class flight from Thailand.

**SONY** Bad batteries that can burst into flame prompt major laptop recalls. You don't want that happening in your lap.

**CLASS OF '06** National SAT scores for this year's high school grads show sharpest drop in 31 years. Check for effects of cell-phone radiation.
