## UDM names new men's basketball locker room in honor of former Titans great Willie Green

The newly-renovated UDM men's basketball locker room was named in honor of Willie Green - a former UDM Titan who was Horizon League Player of the Year and is now a member of the Philadelphia 76ers - following Green's significant donation to help fund the project in Calihan Hall. A special recognition ceremony honoring the 76ers guard was held last month.

The new Willie Green Men's

Basketball Locker Room features all new wood lockers; elevated ceilings to permit natural light; a state-of-the-art audio-visual system; a special student study area with internet access; improved shower and lavatory facilities; and large photos of many former Titans greats.

Green graduated from UDM in 2003 as the fourth-leading scorer in Titans history with 1,779 career points.
