## Ex-MSU coach Boisture dies

Posted by [Chris Mackinder](#) May 22, 2007 07:10AM

Former Michigan State assistant football coach Danny Boisture died Friday. He was 82.

**May 21, 2007, Detroit News:** Boisture was a standout receiver at the University of Detroit before entering coaching. He coached four seasons in the Detroit Catholic League, the last three at Detroit St. Mary's of Redford. In 1959, he became an assistant at MSU under Duffy Daugherty and remained the offensive backfield coach there until 1967, when he became the coach at Eastern.

In his seven seasons ('67-'73) in Ypsilanti, Boisture had seven winning seasons and in '71 guided the Hurons to their first postseason appearance, the Pioneer Bowl against Louisiana Tech. Boisture's last coaching stop was in '75 with the Detroit Wheels of the World Football League.
