St. Mary's of Michigan fills two key positions

John Znavor

St. Mary's of Michigan welcomes John Znavor as the new Director of Laboratory Services. Znavor comes from South Bend, Indiana where he served as Laboratory Manager for the Memorial Medical Group for the past six years. He has almost 15 years of laboratory management experience and he holds both an MBA and a Masters Degree in Health Administration from Indiana University.

Chris Holden joins St. Mary's

Chris Holden

of Michigan as Director of Information Technology. Chris brings 27 years of healthcare experience with her, twenty of those years spent implementing clinical information systems. Chris holds a BS Degree in Medical Technology from Mercy College in Detroit and an MBA from the University of Detroit and she is a Certified Professional in Health Information Management (CPHIMS) since 2003.
