COLDWATER — Michael and Suhad Kim want patients at the new Coldwater Family Dentistry to feel comfortable from the moment they walk in the door.

The two dentists have opened the new practice in Coldwater and feel their training and experience make them a unique addition to the community.

Michael attended Kalamazoo College and the University of Michigan Dental School. After completing his education, he did a year of specialized training at the University of Michigan Hospital. Suhad studied at Wayne State University and the University of Detroit-Mercy. She also completed a year of training at the UA Hospital in Ann Arbor.
