Ms. Kimbrough will oversee operations at the post office located at 210 W. Front St. She will manage an office of 125 employees in addition to overseeing functions at branch offices in Erie, LaSalle, Luna Pier, Maybee and Newport.

Ms. Kimbrough started her career as a distribution clerk in 1970 in Royal Oak. After working seven years, she resigned and returned to the postal service in 1984 as a window clerk in Detroit, where she soon was promoted to delivery supervisor. She since has served as superintendent, customer service supervisor, customer service manager and postmaster.

She has a bachelor's degree from the University of Detroit and a master's degree in business administration from Central Michigan University, Mount Pleasant.

"I'm looking forward to serving the citizens of Monroe," she said. "I want to continue our tradition of providing great customer service to the community."
