TROY, Mich. (AP) - Dennis Kucinich told Michigan supporters tonight that America is losing its way in the world.

Speaking in Troy, he called for U.S. withdrawal from Iraq, a single-payer national health insurance plan and an end to current free trade agreements.

The Ohio congressman plans a rally tomorrow evening rally at the University of Detroit Mercy.

All of the Democratic candidates had pledged not to campaign in Michigan because it broke party rules by moving up its primary to January 15th.

Only Kucinich, Hillary Clinton, Mike Gravel and Chris Dodd are on the Democratic ballot.
