Michele Hunt, an author and "change catalyst" for clients like **IBM**, **Motorola** and **Johns Hopkins University**, will join the board of trustees for **Union Institute & University**, the school said Friday.

Hunt specializes in helping organizations achieve higher levels of participation, teamwork and performance, according to a news release.

She's also a former member of the Clinton administration, having been appointed executive director of the Federal Quality Institute in 1993. Prior to that, she spent 13 years with Herman Miller Inc., rising to the senior vice president level.

A New York City resident, Hunt earned a bachelor's degree in sociology from Eastern Michigan University and a master's degree in sociology from the University of Detroit.

The Union Institute, which offers undergraduate and graduate degrees in a nontraditional setting, is based in Avondale, with campuses in Vermont, Florida and California.
