Hospital foundation names new director

357 The Mount Clemens Regional Healthcare Foundation has named Terri LeClair as its new director.

Most recently, LeClair worked in Physician Business Development at Mount Clemens Regional Medical Center. Prior to joining the hospital, she served as vice president of Marketing and Business Development for Personal Home Care.

**TERRI
LECLAIR**

She was with the home health care provider for approximately 20 years.

Before working at Personal Home Care, LeClair was a medical/surgical nurse at Mount Clemens Regional Medical Center. She received her bachelor's degree in nursing from Mercy College of Detroit, now known as the University of Detroit Mercy. She is a volunteer with the Brittany Spaniel Rescue League and lives in Clinton Township with her husband, Kevin.
