Westbrook signs with UDM

Fremont's Erik Westbrook, a

Westbrook

three-time cross-country all-state runner, signed a letter of intent earlier this week to compete for the University of Detroit Mercy.

Westbrook had a team-best

11th-place performance in last year's Division 2 state finals at Michigan International Speedway as the Packers won the state championship. "We are excited to add Stephanie (Rossman) and Erik to the Titan community," said coach Guy Murray. "Both will make an immediate positive impact in the fall."
