Optimize Flex Applications By Breaking Them Into Modules

L B wrote: Hi, very good article... i was interisting in your previous article about a new way to look at portal. can i ask you some question? When you talk about portlet window you mean that portlet window is a mx panel and it contains a module, is it true? how to achieve direct module to module communication? Where download the source? thanks in advance Regards Lord

ARE YOU A PR MANAGER OR AN EXPERT AUTHOR?

"Ulitzer Will Change the Face of Online Media"

Ulitzer is simple, intuitive, and provides a powerful digital tool for creating, distributing, consuming, and aggregating content. Within minutes of registration, I had a personal author site connected to my external blog and I had launched a new e-zine (Clouonomics Journal) with content contributed from twelve different authors. Combining simplicity with powerful functionality, Ulitzer will change the face of online media."

SYS-CON.TV: JBoss's Seam: Eliminate Complexity and Build Next-Generation Web 2.0 Applications

PR Newswire United Business Media

TROY, Mich., March 16 /PRNewswire/ -- **Brenna Mansfield**, an attorney with Giarmarco, Mullins & Horton, P.C., has been recognized by Cambridge Who's Who for showing dedication, leadership and excellence in all aspects of legal services.

Ms. Mansfield is proud to lend her knowledge and talent as an attorney. She specializes in special needs and long-term care planning and also practices in the areas of estate planning, Medicaid planning, and trust and probate administration. She attributes her success to her upbringing and to the values instilled in her by her family.

A member of the Board of Directors for the Society of Financial Service Professionals, Ms. Mansfield completed coursework at the University of Detroit Mercy School of Law, with cum laude honors, and received her Bachelor of Arts in English Journalism and Political Science from Miami University. She is a member of the Probate and Estate Planning Section, the Elder Law and Disability Rights Section, the State Bar of Michigan, the American Bar Association, the Detroit Metropolitan Bar Association, the National Academy of Elder Law Attorneys, the National Association of Professional Women, the Detroit Athletic Club, and a Partner with Cornerstone Schools Association.

Giarmarco, Mullins & Horton, P.C., ranks as the 12th largest law firm in Michigan. Founded 34 years ago, located in Troy and Detroit Michigan, Giarmarco, Mullins & Horton, P.C. is a full service law firm with 70 attorneys. Areas of practice include corporate and business law, health care law, business transactions, estate planning, commercial litigation, governmental law, real estate, creditors' rights, criminal law, employment and labor, health care law and workers' compensation.

RIA Applications for Web 3.0 Using the Microsoft Platform

By Adam Calderon

 The level of functionality on the Web is changing and the bar is rising on what is considered a true rich Internet application (RIA). This fact and the emergence of the Web as an interconnected platform is once again changing the landscape and moving us into the next phase of the...

Comparing RIA with Existing Technologies

By Andrew Shorten

 This is part 3 in a series of posts publishing extracts from a forthcoming Adobe whitepaper. Whilst we might think that RIAs are enabling an entirely new category of application - delivering desktop-like experiences over the web - within the enterprise environment there have already...

RIA Opinion: Why Criminal Hackers Will Love Adobe AIR

By Bert Halstead

 Adobe has released their new AIR product with much fanfare about letting developers "use proven Web technologies to build rich Internet applications that deploy to the desktop and run across operating systems." The grand vision that's being promoted is that AIR is pioneering the ...
