Issued By:	AVP for IT	Policy Version Number:	1.0
Date Issued:	July 1, 2021	Last Review Date:	July 1, 2021
		Last Revised Date:	

Policy

The ITS Department will conduct on an annual basis security and awareness training to all employees and users with access to University data.

The delivery form and content may vary from year to year.

Failure to complete the training will result in access privileges revoked until cured.
