Female Mentor

Mentoring program pairs female mentors (21 or older) with Vista Maria clients to help the girls rebuild relationships and learn from mentors. The client may learn independent living skills, get help with tutoring, and discover how to be a friend. A one-year commitment is asked for that you visit your mentee for at least one hour every week. Monthly activities are offered for all mentors and mentees. These requirements enable the mentor to make a life-long impact.
