

Annual Assessment Report for Academic Programs

The University Assessment Team advocates for the enhancement of student learning through purposeful, meaningful, and feasible student-outcomes assessment practices. The Assessment Team seeks to collaborate with programs, departments, and units to ensure that effective assessment of student learning occurs across the University. To assist in meeting this goal, the Team requests that you complete this Annual Assessment Report form to document student learning in your program. A PDF version of this completed form will be posted to the Academic Affairs Assessment website. Please note that this Annual Assessment Report form should only be completed after you have an Assessment Plan for Academic Programs forms on file with the University Assessment Team. The plan is completed once and only updated when revisions have been made to components of the plan.

1. Degree Level and Program Name: BA History

2. College/School: College of Liberal Arts & Education

3. Assessment Overview - Briefly share how student learning outcomes assessment is conducted within your program/department (e.g. number of outcomes, examples of assignments used, and frequency of assessment).

We assess learning outcomes for the History major through two courses -- HIS 2910 (Historical Methods) and HIS 4990 (Senior Seminar) -- as well as digital Exit Interviews with graduating majors.

4. Student Learning Outcomes -Which student learning outcome(s) from the assessment plan filed with the University Assessment Team is/are being reported on in this report? Include the corresponding benchmark(s) for each outcome.

We were unable to complete the assessment of learning outcomes this last year. HIS 2910 was not offered due to lack of demand, we had very few graduating majors, and very few majors enrolled in HIS 4990 (for which data is still being assembled). Minimal sample size.

5. Institutional Outcomes - For which institutional outcome(s) do the reported student learning outcome(s) align?

	I. Jesuit & Mercy Values
	II. Diversity & Cultural Awareness
x	III. Critical Thinking & Problem Solving

x	IV. Communication
x	V. Professionalism
	VI. Lifelong Learning

6. Assessment Period: Select the academic year for which you are reporting results (i.e. when data were collected): 2020-2021

7. Results, Planned Actions, and/or Actions Taken -Briefly summarize the assessment results, how they relate to benchmark(s), and how you are using them to enhance student learning and improve program quality.
