

The Core Curriculum Assessment Sub-Committee administered a survey to all Detroit Mercy Faculty during the fall 2022 semester and winter 2026. Faculty who taught core-approved courses and participated in core-outcomes assessment were allowed to complete the survey. There were forty respondents for 2022 and seventy for 2026. The percentage of faculty indicating usage of core assessment results increased from 2022 to 2026 in all categories.
