Students Requesting Transfer Credits & Taking Classes at other Institutions

Remind students to use the current [Detroit Mercy Student: Request for Guest/Transfer Credit form](#) to get permission to take classes elsewhere *before* they do so. Students should check with the other institution and follow their policy for incoming guest students.

- Use the [Transfer Equivalencies page](#) and the comprehensive [Transfer Credit System](#) when advising students.
- Students need a "C" or better to transfer classes.
- If students take guest class(es) at another institution they will need to order a copy of their official transcripts to be sent to the Office of the Registrar when the course is completed **and the final grade(s) are recorded on the host institutions transcript.**
- Senior Residency Rule: Candidates for a bachelor's degree are to complete the last 30 credit hours of their program at University of Detroit Mercy. Any exceptions must be approved by the student's Dean's office.
- Contact the Transfer team if you have any questions:
 - email: transferteam@udmercy.edu or phone: 313-993-1940

Census deadline and implications

Institutional Research uses official census data for reporting. Official census for Winter term 2024 is February 2nd. All advisor and program changes should be submitted by February 2 or the changes will be reflected in the next semester.

Mid-Term Grades

A friendly reminder to check your student's midterm grades when advising. F grades should indicate a student has been attending class but is not passing the course. However, an XF grade is assigned when a student has *never* attended and should include the first date of the course as the Last Date of Attendance. "I" grades should not be reported as midterm grades.

Incompletes for Fall 2023 Term

For undergraduate students, the deadline for submitting a Change-of-Grade for a Fall 2023 incomplete grade is February 9. Faculty should submit the form prior to this date for timely processing. Additional information regarding incomplete grades can be found in the [2023-2024 Undergraduate Catalog](#).
