Did your advisee take summer classes at another institution?

Students who took summer classes elsewhere are responsible for ensuring courses are transferred to Detroit Mercy. Remind students to have *official* transcripts sent directly from the institution to the Transfer Team at registrar@udmercy.edu.

Does your advisee have a profile picture?

If your advisee does not have a picture on their Student Profile page, remind them to have their picture ID taken and obtain their parking permit from the **Titan Information Center**:
Student Union, Lower Level; Monday - Friday, 10 am - 5 pm. 313-993-1100

Academic Early Alert Form

As the University continues its search for a long-term replacement for Beacon, our former Early Alert system, we will be using a new [Academic Early Alert Form](#) during the interim. This form allows faculty and staff to submit high-priority academic referrals directly to the Student Success Center support team. You may access the form on under your Faculty Resources on your MyPortal page, the [Student Success Center website](#), or the [Students of Concern](#) webpage.
