PLAN TO ATTEND - Course Program of Study (CPoS) Open Forum

Date: Wednesday, September 16, 2026.

Time: Open Hour – 12:50pm-1:50pm

Location: Engineering 220

CPoS is a tool that helps ensure student registration is in compliance with federal financial aid regulations. This Forum will provide a brief recap of what CPoS is and why it exists, and then provide a Q&A session.

Did your advisee take summer classes at another institution?

Students who took summer classes elsewhere are responsible for ensuring courses are transferred to Detroit Mercy. Remind students to have *official* transcripts sent directly from the institution to the UDM Transfer Team at registrar@udmercy.edu.

Does your advisee have a profile picture?

If your advisee does not have a picture on their Student Profile page, remind them to have their picture ID taken and obtain their parking permit from the **Titan Information Center**: Student Union, Lower Level; Monday - Friday, 10 am - 5 pm. 313-993-1100

DSS is committed to providing equal access to learning opportunities for all students. DSS works collaboratively with students who have disabilities to arrange effective accommodations. Students who encounter any barrier to participation in their education because of a disability and who would like to seek accommodations can begin the process by going to the DSS website or email dss@udmercy.edu. DSS also serves as a resource for faculty. Any faculty member with questions or concerns about disability-related matters in their courses, including how to implement students' approved accommodations, should contact DSS.

Academic Early Alert Form

The [Academic Early Alert Form](#) allows faculty and staff to submit high-priority academic referrals directly to the Student Success Center support team. You may access the form under your Faculty Resources on your MyPortal page, the [Student Success Center website](#), or the [Students of Concern](#) webpage.
