News & Reminders for UDM Advisors

## More on Summer Registration and Financial Aid

- ✓ **Did you know that there are discounted summer courses?**

There are over 40 courses with tuition set at \$333 a credit. See the entire list at:

<http://www.udmercy.edu/registrar/discount/>

**Summer Refunds and Withdrawals** differ tremendously based on the length of the course. Please see the class schedule for all the variations based on how many weeks the course meets. Note that Summer 1 and Summer 2 refunds are the first day of the class! Here are some common dates:

Part of Term	Start Date	100% Refund	Last day to Withdraw
Summer 1 7-weeks	May 9, 2016	May 9, 2016	June 13, 2016
Summer 2 7-weeks	June 27, 2016	June 27, 2016	July 29, 2016
Summer 3 14 weeks	May 9, 2016	May 15, 2016	July 25, 2016

**Summer Financial Aid:** A reminder from last month: students need to submit an application if they want to be considered for financial aid for the summer semester. The application for Summer 2015-2016 is available at: <http://www.udmercy.edu/apply/financial-aid/forms/2015-2016/2015-16%20Summer%20App.pdf>

Please refer students to their financial aid counselor **BEFORE** registering for summer and **BEFORE WITHDRAWING**. The general Financial Aid Office number is **313-993-3350**.

## “What If” Degree Evaluation in TitanConnect

- ✓ **Do you know about the “What-If” option in Degree Evaluation?** “What If Analysis” allows students to see how their courses can be repackaged for adding/changing majors and/or minors and certificates. The “What-If Analysis” is an option at the bottom of the Degree Evaluation screen right next to “generate a new evaluation.” Follow the prompts to find the new major/minor. If you would like an individual tutorial on how to use/better understand the Degree Evaluation tool, contact the Transfer Team: Carolyn Rimle ([rimlec@udmercy.edu](mailto:rimlec@udmercy.edu)) or Mary Beth Langan ([langanmb@udmercy.edu](mailto:langanmb@udmercy.edu)).

## Class Schedule and Core Curriculum Attributes

- ✓ **Did you know that the class schedule is accessible through the QUICKLINKS on the UDM homepage?** Most students seem to think they have to log into TitanConnect to access it.
- ✓ **Did you know that the Core Curriculum courses can be searched from the class schedule page?** Highlight all the subject areas then scroll through the “Attribute List” to find Core Objectives, such as “Core objective 1.”
- ✓ **Did you know that the class schedule allows you to see class enrollment numbers and available seats?** Click on the blue title and CRN and it will open an enrollment page.
