1 IPEDS is the Integrated Postsecondary Education Data System. It is a system of interrelated surveys conducted annually by the U.S. Department of Education. IPEDS gathers information from every college, university, and technical and vocational institution that participates in the federal student financial aid programs.

2 Students are listed based on the college of their primary program/major for the given term.

3 In fall 2024 the College of Liberal Arts & Education was renamed the College of Humanities, Arts & Social Sciences.

4 HS Dual Enrolled, Detroit Green Technology Institute & Dental students in the Certificate - Advanced Education General Dentistry are not charged a traditional tuition rate. Totals are shown excluding these groups to align with financial reporting.

5 All data is as of the census date each term and cannot be altered.
