

Advanced Placement (AP) Transfer Guide

The Advanced Placement (AP) Program of the College Board enables students who have pursued college-level studies in high school to receive college credits based on their performance on the AP examinations.

Below is a list of AP Exam subject areas, the corresponding Detroit Mercy courses (where they exist), and credits that are granted based on scores earned; minimum score is 3. Where a specific Detroit Mercy course is not listed, AP scores generate elective credit. Depending upon a student's program, the credits awarded from AP may or may not fulfill degree requirements. *New Core effective for new students entering Fall 2017 or later.
