

# Leadership Minor

## Leadership Minor Advising – Biology 7-year Dental 2.1.25

### Two notes:

1. Work with your advisor to see how transfer or AP/IB credits can help you out.
2. We recommend you take the introductory course as soon as you can. Usually, a core course can be delayed and taken a little later in your undergraduate program.
3. We recommend core courses so that the Leadership Minor does not add classes to your already packed schedule. This is called “double-dipping” and we use it a lot. Some courses can be counted in your major and minor or the university core and your minor. In fact, LEAD 2000 is a “triple-dipper”—counting for the minor, IT5, and IT6. If you follow the sheet carefully and speak with your Advisor and/or Associate Deans, the only “extra” course you should need to fulfill the minor is the Leadership Capstone. No course can count twice within the four skill areas listed on the left.
4. For information on the Leadership Minor contact Dr. Don at [dipaoldo@udmercy.edu](mailto:dipaoldo@udmercy.edu) or go to the university website and just search “Leadership Minor.”
