For information, contact your advisor or Dr. Don DiPaolo at [dipaoldo@udmercy.edu](mailto:dipaoldo@udmercy.edu)

**All Psychology Majors** are in a terrific position to achieve the Leadership Minor. However, students need to plan out courses very carefully because these two fields are so closely related. Although you may be taking courses that would **normally** count for the minor in several areas below, we are limited to double-dipping just two courses (Social Psychology and the Capstone courses) because of university rules.

You will find that most of you have the ability to double minor if Leadership is one of yours. This would add a great deal to your possibilities, resume, and credentials. Please work closely with your major advisor.
