Entrance Requirements

- Minimum 2.5 GPA based on 24 or more credits earned at Madonna (and/or other accredited institutions).
- If less than 24 credits have been earned, a student's high school transcript is required.
- Apply for admission to UDM at udmercy.edu/apply; the application is free.

If you have any questions regarding Madonna University courses and how they transfer to UDM, contact the Transfer Credit Team at 313-993-1940 or registrar@udmercy.edu (type Transfer Credit Team on the subject line).

Great Reputation - For the fifteenth consecutive year, UDM is listed in the top tier of Midwest Best Regional Universities in the 2016 edition of the *U.S. News and World Report's* "Best Colleges." UDM engineering graduates are highly sought out by industry and graduate programs. *We are proud of our 100+ years of educating engineers!*

UDM is affordable! - Approximately 90% of UDM students receive financial aid and/or scholarships. To determine if you qualify for any of UDM's scholarships (including full tuition grants) established for transfer students, contact the Admissions office at 313-993-1245 or admissions@udmercy.edu.

Co-op Leader - For *over 100 years*, UDM has been preparing excellent engineers through the required co-op program. UDM has one of the few four-year engineering programs in the country where all students obtain one full year of experience prior to graduation. Besides valuable experience, students earn an average of over \$25,000 during their three co-op rotations.

Dual Enrollment - To ease the transition between Madonna and UDM, it is an option to take several classes at UDM while completing courses at Madonna. For up to 12 credits this may be done under the Detroit Area Catholic Higher Education Consortium (eligible students pay Madonna tuition while taking UDM classes).
