

DETROIT MERCY NURSING and DENTAL HYGIENE TRANSFER TABLE (as of 2/15/2022)

This table is designed to help students smoothly equate courses taken at other institutions to ones at Detroit Mercy. Students must earn a grade of C or better in each course for the credits to transfer to Detroit Mercy (admission criteria may be higher).

The admission course requirements for specific programs are noted. See explanation at the top of each page. Students seeking their first bachelor degree must complete all core curriculum requirements at Detroit Mercy or at another institution. Satisfying the **MTA** (Michigan Transfer Agreement) at a MI community college may shorten your list of core reqs at Detroit Mercy.

Prospective undergraduate students should contact Admissions at admissions@udmercy.edu or 313-993-1245.

If interested in our **NUR-PT (NUR)** or **second-degree option (SDO) accelerated** nursing programs, please note that it is highly recommended for you to attend a BSN Nursing Information Session.

Prospective graduate students interested in our **MEAGN** program - **Master's Entry Advanced Generalist Nursing track MSN** -

The admission course requirements are the same as the SDO program *PLUS* Pathophysiology (see SDO column).

It is highly recommended for you to attend a MEAGN Graduate Nursing Information Session.

For more information, please contact Graduate Nursing at gradnursing@udmercy.edu or 313-993-1828.

If a prospective student has a question about courses on this table or listed in our online Transfer Credit System, or if you believe that a course has not yet been reviewed and needs to be reviewed, please contact Mary Beth Langan (Transfer Credit Team/Office of the Registrar) at langanmb@udmercy.edu

Current Detroit Mercy students are required to contact their advisor before enrolling in courses at other institutions.

Visit micollegesonline.org (Michigan Colleges Online or MCO) to learn which of these Michigan courses are offered online.

For information on earning credit via **CLEP and DSST exams** to complete requirements:

http://www.udmercy.edu/current-students/registrar/files/CLEP_student_info.pdf

http://udmercy.edu/current-students/registrar/files/DANTES_student_info.pdf

We are not a testing center; CLEP and DSST will mail us your official score report after you test at a certified testing center.

Visit <https://clep.collegeboard.org/search/test-centers> and <http://getcollegecredit.com/institutions/search> for locations.

Your **AP or IB** scores may fulfill admission requirements or core curriculum requirements.

Visit udmercy.edu/registrar to view our AP and IB Transfer Guides.
