

## DETROIT MERCY NURSING and DENTAL HYGIENE TRANSFER TABLE (as of 12/2/2025)

This table is designed to help students smoothly equate courses taken at other institutions to Detroit Mercy courses. Students must earn a grade of C or better in each course for the credits to transfer to Detroit Mercy (admission criteria may be higher).

The admission course requirements for specific programs are noted. See explanation at the top of each page. Students seeking their first bachelor degree must complete all core curriculum requirements at Detroit Mercy or at another institution. Satisfying the **MTA** (Michigan Transfer Agreement) at a MI community college is highly encouraged.

**Prospective undergraduate students should contact Admissions at [admissions@udmercy.edu](mailto:admissions@udmercy.edu) or 313-993-1245.**

If interested in our **NUR** or **accelerated second-degree option (SDO)** nursing programs, please note that it is highly recommended for you to attend a BSN Nursing Information Session.

**Prospective graduate students** interested in our **MEAGN** program - **Master's Entry Advanced Generalist Nursing track MSN:**

The admission course requirements are the same as the SDO program *PLUS* Pathophysiology (see SDO column).

It is highly recommended for you to attend a MEAGN Graduate Nursing Information Session.

**For more information, please contact Graduate Nursing at [gradnursing@udmercy.edu](mailto:gradnursing@udmercy.edu) or 313-993-1828.**

If a prospective student has a question about courses on this table or listed in our online Transfer Credit System, or if you believe that a course has not yet been reviewed and needs to be reviewed, please contact Mary Beth Langan (Transfer Credit Team/Office of the Registrar) at [langanmb@udmercy.edu](mailto:langanmb@udmercy.edu)

**Current Detroit Mercy students** are required to contact their advisor before enrolling in courses at other institutions.

**RN-to-BSN students can also find many details on this Transfer Table. Email if you have questions!**
