

The following courses will transfer into Detroit Mercy to satisfy many of the course requirements for application to Detroit Mercy's Pre-Physician Assistant, Pre-Dental or Pre-Medical programs. Students may transfer a maximum of 63 credits toward a Bachelor's Degree. If admitted under the HFC-Detroit Mercy's Science Articulation Agreement, students may transfer up to 73 credits depending on major. Course grades must be a C or better. Additional courses not on this guide may also transfer.

Pre Dent/Pre Med Students: The above courses will transfer into Detroit Mercy to satisfy many of the course requirements for application to dental or medical schools. Although students may choose any major when preparing for dental or medical school, many students choose biology, chemistry, or biochemistry due to the coursework required. The courses above will also meet many of the requirements for those majors. *Students should review the requirements of their prospective dental or medical schools for a more complete list of requirements.* **Note: many dental and medical school admission committees prefer science courses be taken at a 4-year institution.**

Pre-Physician Assistant Students: In order to apply to the Detroit Mercy Physician Assistant program, undergraduate students from Detroit Mercy must follow application guidelines including (but not limited to): at least 1000 hours of hands-on health care experience, all designated coursework completed (as outlined by the department), and a letter of recommendation from a biology faculty member. For more info regarding the Physician Assistant program, go to:

<http://healthprofessions.udmercy.edu/programs/paprogram>

ENTRANCE REQUIREMENTS:

- Minimum 2.50 GPA based on 24 or more credits earned at HFC (and/or other accredited institutions)
- If less than 24 credits have been earned, a student's high school transcript is required
- Apply for admission to Detroit Mercy at udmercy.edu/apply; the application is free
