VALUES-BASED EDUCATION
Few universities offer the breadth of disciplines and programs offered at Detroit Mercy, while encompassing the development of the whole person: mind, body and spirit. Here, education is richer because of a humanistic liberal arts core that integrates professional preparation within a broader search for truth.

**It isn’t enough to say that we practice a values-based education. We have to live it and expect it from others.**

100+ COMMUNITY ORGANIZATIONS SERVED
WE BUILD COMMUNITIES
Our graduates determine the shape of their careers. By thinking beyond themselves and focusing on the clarity of their greater purpose, our students achieve creative dialogue across genres and societal concerns.

THE STRENGTH OF OUR ACADEMIC PROGRAMS THRIVES ON THE ETHICAL AND SOCIAL RESPONSIBILITY EMBEDDED INTO OUR FOUNDATIONAL VALUES.

“Detroit Mercy feels like home. You’re part of a community and there are so many opportunities – if you get involved and take advantage of what you’re given, it will change your life.”

– Student Sarah Hirschmann, who volunteered as a teacher in Kenya for six months and is a member of the women’s soccer team
GET INVOLVED

Detroit Mercy is in the middle of a bustling city, but the time you value most will be the time you spend on campus with friends.

We know that helping you reach your full potential means providing opportunities to explore your interests outside the classroom. That’s why we offer more than 60 student clubs and organizations, numerous community service opportunities, and a robust Greek life. And don’t forget the Student Fitness Center and a variety of intramural sports to keep your body as fit as your mind. Get involved. Make friends and make a difference. See an opportunity, grab it! Most of all, have fun!
60+ CLUBS AND STUDENT ORGANIZATIONS on campus
Nothing builds school pride and spirit quite like sports, and at Detroit Mercy, we’ve got plenty to cheer about. Our student-athletes—the Titans—compete in 17 NCAA Division I women’s and men’s sports. But what’s even more impressive is how these Titans succeed in the classroom as well. In 2017, more than 77% of our student-athletes were on the Athletic Director’s Honor Roll for achieving a GPA of 3.0 or higher. And in the latest NCAA APR report, all 17 Titan teams posted multiyear scores above the national qualifying mark for the sixth consecutive year!
WE CALL DETROIT HOME
Detroit’s unique culture challenges our students to apply theory in real time. The resiliency of our students and of our historic city impacts real change in our community.

**Detroit offers a complete college experience that includes in-depth research, real-life preparation and internship opportunities throughout this vibrant cityscape. We could only do this critical work in this way in Detroit.**

The diversity of our student body mirrors the diversity of the region we serve. It reflects the changing face of the world at large. Within this mix of creative, driven individuals, students learn how to articulate the relevance of timeless inquiry to develop a humanistic approach to ideas, issues and opportunities in a fast-changing world.
FROM THE BUSY STREETSCAPE TO THE WHIR OF THE PEOPLE MOVER MAKING ITS WAY THROUGH THE HEART OF THE CITY, FROM THE MOUTH-WATERING SMELLS OF GREEKTOWN’S CUISINE TO THE AROMATIC FRAGRANCE OF THE BELLE ISLE CONSERVATORY, DETROIT IS A COLLECTION OF SITES, SOUNDS AND SMELLS TO ENTICE STUDENTS. IT’S MORE THAN A BACKDROP FOR OUR UNIVERSITY. IT’S THE FEELING OF BEING SMALL IN THIS ENORMOUS WORLD, AND STILL SOMEHOW CONNECTED TO THE GLOBAL COMMUNITY.
OUR CITY, YOUR CITY

SURROUND YOURSELF WITH THE CITY OF INVENTION. DETROIT IS A BEACON THAT ILLUMINATES OPPORTUNITY — FROM THE MUSIC BORN HERE TO THE VEHICLES ENGINEERED TO MOVE THE WORLD. YOUR EDUCATION EXTENDS BEYOND THE CLASSROOM AND DETROIT PROVIDES THE PERFECT REAL-WORLD SETTING WHERE YOU CAN APPLY YOUR LEARNING.
96% of students are employed, in graduate school, or volunteering within six months of graduation.

They achieve higher than the national average on licensing and certification exams. And when it comes time to find a job, numerous employment opportunities are available with major organizations, world-class hospitals and Fortune 500 companies right at our doorstep.

**TESTIMONIALS**

**VALUES**

“I grew up in Nigeria. Transitioning to the United States was jarring, but when I started going to classes, everyone knew my first name, even the professors. That’s what I love about University of Detroit Mercy—it’s down to earth, and everyone here cares about my education.

I am thankful for the opportunity to do service in the community. There is always so much to do, and it gives you a chance to uphold your faith: You become a better person when you are surrounded by people who want you to be better.

~ Ayomide Okunla, Architecture

**ACADEMICS**

“Faculty are always available when needed, there are tons of organizations to get involved with, and the small campus makes everything easier and accessible.

*Detroit Mercy is preparing me for my future by providing different service learning experiences.*

~ James Popyk, 7-Year Dental

What’s special about Detroit Mercy are the opportunities we present to our students. You’re not going to get this elsewhere. I am able to pursue something that I really care about and I get to try to make a change in the world.

~ Justin Pothoof, Chemistry
OUTCOMES

“I was prepared for the rigorous course of studies I would come to encounter at Detroit Mercy Law. Through experience at both campuses, I was prepared professionally and substantively for the legal world that I now work in. Most importantly, I was taught the importance of service to the community.”

~ Jason M. Beavers, Bachelor of Arts, Juris Doctor

AFFORDABILITY

“Detroit Mercy’s Tuition Reset adds to the value and shows just how much Detroit Mercy cares about students. They really work to keep the cost down.”

~ Amena Al-Khafaji, Biology

VIBRANT SETTING

“I chose Detroit Mercy because it is in the heart of my favorite city. I’ve been immersed in a tenacious community focused on growth and social mobility. While volunteering, I’ve discovered different aspects of Detroit and have learned to relate to people of all backgrounds.

The service emphasis is preparing me to be empathetic and compassionate with my future patients.”

~ Mariah Carter, Nursing

“I had my eye set on a Jesuit institution. Originally, I wanted to attend Marquette because it was closer to home; however, University of Detroit Mercy offered substantially greater financial aid.

Everyone finds a great niche of friends, and I found mine by joining Greek life. I’ve gained new leadership opportunities, made unforgettable memories, and created friendships that will last a lifetime.”

~ Christina Nguyen, Developmental Psychology
