Please allow a minimum of 90 days to receive your Employment Authorization Document (EAD) after USCIS receives your application. You should receive a receipt notice in the mail within 2-3 weeks after submitting the petition. You can check your case status with your receipt number at www.uscis.gov.

EMPLOYMENT REQUIREMENTS
Once you have been approved for post-completion OPT, you may only accrue up to 90 days of unemployment during approved OPT period. OPT employment must be part-time or full-time and related to your major field of study. If you accumulate more than 90 days of unemployment, you will be considered out of status.

TRAVEL
Once you’ve received your card and you decide to travel internationally, you must carry with you the following when you re-enter the U.S.: valid passport, valid F-1 visa, endorsed I-20 (with a travel signature no more than six months old), OPT card and an employment verification letter from your employer. Although you may have these items, you are not guaranteed re-entry.

REPORTING REQUIREMENTS
SEVP Portal
When your OPT is approved, you should receive an email inviting you to create an SEVP portal account. If you don’t receive the email, please contact our office.

On that portal, you must update your physical address within 10 days and input your employment information as soon as you start an employment. Failure to report employment may lead to termination of your F-1 status.

Warning: Please keep a complete history of your employment on the portal. Only add a new employer when you have new employment and DO NOT delete any previous employment information.

Additionally, you should contact our office if you:

- Depart the U.S. and do not plan to return as F-1
- Change name and/or immigration status i.e. H1B, Permanent Residency
- Change your employer or lose your job
- Change of physical residential address
