The University of Detroit Mercy operates on the land known as Waawiiyaatanong. As a community, we recognize that this is the ancestral land of the Three Fires Confederacy, the Ojibwa, Odawa, Potawatomi, and Wyandot nations. We acknowledge that this land was colonized via the Treaty of Detroit in 1807. Taking from our roots as a Mercy and Jesuit university, we are committed to justice and reconciliation for our Native neighbors. The purpose of this statement of acknowledgement is to remind us to continue to be mindful and respectful of the history of this land. This statement serves as both a reminder and a call to action to promote practices and policies that bring about equity and advancement for all people on our campus, in our community, and the world.
